## School Based Mentoring

NEWSLETTER EDITION 26 | TERM 2 | JUNE 2018

### TERM 2

For our longest term in the year, Term Two has seemed to fly by quite quickly. We have had one new mentoring match commence this term, joining our new recruits from Term One, relationships are forging well. It is a great thing to witness people finding their common interests and enjoying getting to know each other.

### STUDENT LEADERSHIP

We are excited to see mentee, Max Willmott become one of the two Student Representatives that will represent the student body in the School Council. Max's dedication to the school and greater community has already displayed when he represented Baimbridge College at his local ANZAC commemoration service. Growing great young leaders - Well Done Max!

### GIVING BACK TO THE COMMUNITY

Each year, our students and their mentors enjoy being a part of the Western District Health Service Doorknock Appeal. Our students took to the streets surrounding Baimbridge College and were able to raise over \$200 towards this amazing cause.

### IN THE MEDIA

Standing Tall was recently included in a podcast for the online 'Teacher Magazine'. Peer Mentor, Harley and his mentor, Min spoke about their journey in Standing Tall - you can listen online by following this link: <https://www.teachermagazine.com.au/articles/podcast-a-school-based-student-mentoring-program>

### NATIONAL VOLUNTEER WEEK

21st - 27th May marks National Volunteer Week, an opportunity to recognize the efforts and dedication of all the volunteers that make Standing Tall what it is. Not only do we have amazing volunteer mentors who go above and beyond to support our students, we also have a dedicated Committee of Management that ensure that the program runs smoothly.

This year we celebrated our Volunteers with a dinner at Roxburgh House. A big thank you to Bruach and his crew for making it an enjoyable night for all, and for kindly donating Coffee Vouchers as a small token of appreciation for the work our volunteers do.
